### Center Survey Results

**Legend:**

Y Axis values are in percentages

X Axis values are as shown

**What does this mean?**

This chart refers to the vicinity of where people who filled out the survey live.

To compensate for low numbers in a particular region, the Center conducted one-on-one and organizational meetings within those regions.

- 1) Age range 35 - 45 years (25%)
  - 2) Age range 19 - 25 years (24%)
  - 3) Age range 26 - 34 years (22%)

**Q: What did the survey reveal about the LGBT community in St. Louis?**

**A:** Combined with discussions with various community groups, we have discovered the need for information, support, and solidarity within the entire LGBT community of metro St. Louis. Many segments of our community feel disenfranchised and many of our community, particularly our youth, are in need of life-sustaining outreach. The Center has a commitment in helping to fulfill these needs.
